## Welcome to MOE

We are specialists in supplying timber educational equipment to learning providers across the country, with every piece of our products being sustainably produced and crafted to the upmost standard.

Designed by Teachers, Education Advisors, and Woodworking Artisans, our products focus on accentuating and aiding the natural developmental benefits of outdoor teaching. All the products we provide can be linked to the EYFS learning and development methodology in one or often several ways.

We are proud to directly supply to nurseries, schools and similar educational establishments as well as collaborating closely with unique customers to help them deliver superior outdoor educational experiences for their children and their premises.

We look forward to helping you too to create an outstanding outdoors experience.

# Our Bestselling 9 Piece Frame

## Perfect For All Aspects Of EYFS Learning & Development

Our '9 Section Up and Over Climbing Frame' is extremely popular for early years settings due to the many unique ways in which it can be used to deliver EYFS learning and development.

### LITERACY

The placement of Signs such as "Up" "Climb" "Over" "Under" & more can help build a child's understanding of how language relates to navigating the world around them. With our built-in chalkboards maybe have the children write their name as they pass, creating a list of adventurers for each new person to see!

### PHYSICAL DEVELOPMENT

The many wonderful ways to navigate the frame promote physical development for children of all ages. They can start with the low height climbing wall and then negotiate their way along to the ladder and, for the adventurous, take the ladder to the top of the bird nest!

### UNDERSTANDING THE WORLD

The low height design means practitioners can easily support a child as they navigate the frame for the first time, whilst they themselves remain standing. With its size, the frame also allows for exploration of its navigation, allowing for entry and exit from multiple points.

### EXPRESSIVE ARTS & DESIGN

3 built-in chalkboards allow for a range of expressive activities allowing mark-making, classic visual games or maybe have them draw an item that rests nearby. Big chunky chalks let them practice their fine motor skills in a fun interactive way.

Perfect for  
all areas of  
EYFS learning  
& development

For ages 18 mth

9 section  
£2,670.84+VAT

Also available in  
3, 5 & 7 sections

Add it to your  
basket now!

#### COMMUNICATION & LANGUAGE

Promote their communication, try a fun class activity such as creating a den or try allowing the children to work together to make the frame into a ship, a rocket, or even a tree house!

#### MATHEMATICS

Built in chalkboards can be used for easy maths problems, making the exploration of the frame interactive, or consider a class activity where they are used as a counting station where children tally up items, such as plastic cones, that they have collected on the frame.

#### PERSONAL, SOCIAL & EMOTIONAL DEVELOPMENT

Get them working together! Create activities that require children to work together in order to get from one side to the other. Why not have them do a relay across, taking items back and forth, or have them pick a buddy to navigate it with?

## Making Friendships

"We ordered a gift for our children leaving nursery and they were so incredibly helpful making sure we got the bench before the end of term. The nursery staff are so pleased with the buddy bench and I'm sure lots of little friendships will be made on it. Thank you MOE x"

JELLY BEANS DAY NURSERY

## Fantastic Items

"The children at Sara's School have been enjoying their new equipment. They are fantastic items and very well made. Our garden is small, but these items fit in perfectly, I wish our garden was bigger so I could order more of your lovely products. Thanks again "

SARA'S SCHOOL

## Absolutely Loving It

"We ordered some indoor kitchen units and a mud kitchen and asked for a slight change. This was all done very easily and with no issues. When the items arrived, they were amazing! the children are absolutely loving it all!"  
ROCKING HORSE NURSERY

## Excellent Customer Service

"Absolutely beautiful outdoor resources! We had a mud kitchen, mud box, channel wall, tunnel and cosy den delivered recently and couldn't be happier with them. Every piece is extremely well made and very sturdy so feels like they will last a long time! They look amazing in our outdoor area and the children absolutely love them. The free personalisation on the mud kitchen is a really >

lovely touch. Would highly recommend MOE, excellent customer service all the way through from order to delivery and even a phone call afterwards to check we were happy with everything".

SUNRISE NURSERY NORTHWICH

## Sturdy & Long Lasting

"Amazing!!!! The best purchases ever! Our children love to climb on our frame and can spend hours huddled in the hexagon reading and enjoying their 'special place'. Very good quality, sturdy and long-lasting equipment. Would highly recommend this five-star company! Looking forward to future purchases already!"

LITTLE STEPS PRESCHOOL

## Good Quality & Easy Install

"Well - we have just put together our new playground equipment - very good quality and easy to install - all the instructions present and correct. Would also like to say the customer service has been second to none - outstanding in fact from sales advice and support, delivery and after sales care - amazing well done".

HOWBURY TUMBLERS

## Thank You So Much

"The children absolutely love our new climbing tunnel we recently purchased. Jackie was very helpful and couldn't do enough to help with the purchase. Thank you so much from @craigchildcare."
